

NEW ULTRA-STRONG HAIRSPRAY

IGEPAK S.A., a contract filler and a company with a wide expertise in the development and production of aerosol products, has developed a new ULTRA-STRONG HAIRSPRAY for an extraordinary long-lasting hold of the hairstyle with a natural result, even in high humidity conditions. It contains B5 Pro-vitamin that brings shine to dull hair and strengthens the hair fiber.

AN EXTRAORDINARY LONG-LASTING HOLD WITH A NATURAL RESULT

The new ULTRA-STRONG HAIRSPRAY has been specially formulated for working, shaping and finishing hairstyles with a better long lasting hold and durability, even under conditions of high humidity. It contains a revolutionary new polymer that offers this extraordinary hold of the hairstyle in addition to provide thermal protection. It leaves hair smooth and silky thanks to its ultra-fine and regular diffusion. Fast drying and perfect finish. Disappears from the first brushing.

HOW TO USE THE HAIRSPRAY

Hold can 10-12 inches from dry, styled hair. Spray in an even, all-around motion to hold hairstyle firmly in place.

Do not rinse.

IGEPAK S.A. offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
