

## ROOT TOUCH-UP SPRAY

**IGEPAK S.A.**, a contract filler and a company with a wide expertise in the development and production of aerosol products, has developed a ROOT TOUCH-UP spray, that blends instantly away the grey roots with a natural and imperceptible finish. Available in different shades to match all hair colours.

## BLEND AWAY THE GREY ROOTS

This is a quick and affordable way to apply temporary colour to the grey hair, a perfect solution to extend the time between colourings. Contains selected pigments to blend with the different hair colours. Washes out in one shampoo.

Available in different shades to match all hair colours. Enjoyed by both men and women. No wet effect. No colour transfer. The desired dose is easy to obtain and to apply.

## HOW TO USE THE ROOT TOUCH-UP SPRAY

Shake well before use. Spray in short bursts at a distance of 15cm from the unwanted grey roots, on dry hair, until desired colour and coverage are achieved. Blend through with the fingers for a natural looking result. Allow product to dry for 1 minute. For external use only.

**IGEPAK S.A.** offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations. The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
