

EXTRA-STRONG MOUSSE

IGEPAK S.A., a contract filler and a company with a wide expertise in the development and production of aerosol products, has developed an EXTRA-STRONG MOUSSE for a long-lasting hold of the hairstyle. It contains B5 Provitamin that brings shine to dull hair and strengthens the hair fiber. It also contains a UV filter that protects the hair from external aggressions and prevents your hair color from fading too soon.

HOLD AS A HAIRSPRAY AND RE-DENSIFY AS A MOUSSE

Specially formulated for all kinds of hair and hair styles, the extra-strong mousse provides long lasting volume, shine and hold.

Perfect to style shorter and layered hairstyles It helps to change the look without getting a new cut.

Natural result. It provides density and hold without leaving hair crunchy.

Very easy to apply.

HOW TO USE THE EXTRA-STRONG MOUSSE SPRAY

Shake well before use and hold the can upside down. Dispense a tennis ball-size amount into palm of hand. Spread evenly through washed and towel-dried hair, from roots to ends, with a comb or fingertips, focusing on the roots.

Blow-dry, hair upside down, styling with your fingertips. Finish your style by using a round brush from the roots upwards for more volume.

Do not rinse.

IGEPAK S.A. offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
