

## SPRAY BATH AND SHOWER FOAM

**IGEPAK S.A.**, a contract filler and company with a wide expertise in the development and production of aerosol products, has developed a new spray BATH AND SHOWER FOAM, that delivers with ease and precision a rich and creamy foam that gently cleanses the skin. Different perfumes and active ingredients can be added, such as argan or avocado oil.

## A WHOLE NEW SENSATION FOR THE SKIN

This creamy and soft on skin foam not only gently cleanses the skin but it also conditions it with a delicious perfume that creates a sensation of well-being: the skin is smoothed and glowing with vitality.

The desired dose is easy to obtain and to apply.

## HOW TO USE THE SPRAY BATH AND SHOWER FOAM

Shake well before use. Squeeze a small amount of foam into your hand. Massage the foam into damp skin and enjoy the rich foaming sensation. Then rinse thoroughly. For external use only.

**IGEPAK S.A.** offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations. The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
