

SPRAY SHOWER FOAM WITH CONDITIONER – HAIR & BODY

IGEPAK S.A., a contract filler and a company with a wide expertise in the development and production of aerosol products, has developed a new spray SHOWER FOAM for the BODY & the HAIR with CONDITIONER. This rich and creamy foam gently cleanses the hair and the skin. They become protected, soft and silky. Different perfumes and active ingredients can be added.

A WHOLE NEW SENSATION FOR THE HAIR AND THE SKIN

This creamy and soft on skin foam not only cleanses the hair and the skin but it also conditions it creating a sensation of well-being. It contains avocado oil that naturally regenerates, protects and moisturizes the hair and the skin without leaving them greasy, and a natural humectant that leaves the hair easy to detangle, silky soft and free-flowing. Color Care. Both hair and skin become soft, bright and full of vitality with no residues.

The desired dose is easy to obtain and to apply.

DIRECTIONS

Shake well before use. Squeeze a small amount of foam into your hand. Massage the foam into damp skin and the hair and let it absorb into the hair. Then rinse thoroughly. For frequent use. For external use only.

IGEPAK S.A. offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations. The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
