

HAIRSPRAY VOLUME AND DENSITY BOOSTER

IGEPAK S.A., a contract filler and a company with a wide expertise in the development and production of aerosol products, has developed a HAIRSPRAY VOLUME AND DENSITY BOOSTER that provides the perfect balance between hold and suppleness for a long-lasting, reliable styling. It adds density and volume to fine hair without weighing it down or leaving it crunchy. Hair is left visibly thickened and noticeably more voluminous with healthy shine. Light texture. No residue. It contains a UV filter that protects the hair from external aggressions and prevents your hair color from fading too soon. Professional Formula.

A LONG-LASTING HOLD WITH A NATURAL RESULT AND AN EXTRAORDINARY BRILLIANCE

It is especially formulated to fix the movements of the hairstyle in suppleness thanks to its ultra-fine and regular diffusion. For all types of styling and hair, this hairspray gives volume, shine and fixation with a natural result and without leaving the hair crunchy. Quick drying. Disappears after the first brushing.

HOW TO USE THE HAIRSPRAY VOLUME AND DENSITY BOOSTER

- To hold style in place: Hold can 10-12 inches from hair. Spray in an even, all-around motion.
- To bring volume: spray the hairspray head down. For an even more voluminous effect, raise the strands one by one and spray the hairspray directly at the roots.

Do not rinse.

IGEPAK S.A. offers turnkey tailor-made solutions from developing, producing and filling aerosols to delivering anywhere in the world. It also provides support regarding existing regulations The Company's facilities include: White room, water treatment plant (osmosis and CDI), seven fully automatic filling lines. Three of these lines are prepared for filling with the B.O.V. system.
